

## Free creative music-making & performance workshop

---

**Your chance to get involved in an exciting creative project for 16-25 year olds based in Rhondda Cynon Taff.**

We are offering a series of taster sessions for our Future Directions project, an opportunity for young people to work together to create their very own digital opera & film, which will be premiered at the Parc & Dare Theatre in Treorchy. The taster sessions are an opportunity to try out some performance activities to give you a flavour of what the project will be like. The project aims to bring together neurotypical, neurodiverse and learning disabled young people to bring their own perspectives to the creative process.

Taster sessions will be run by Jain Boon, a Director and Dramaturg with many years of experience in facilitating creative projects for young people.

Taster Sessions are available for schools (including SEN schools), youth clubs, drama clubs, music groups and community groups.
